Judge For Yourself

Which is Better—Try an Experiment
or Profit by a Norway
Citizen's Experience.

Something new is an experiment.
Must be proved to be as represented.
The statement of a manufacturer is
not convincing proof of merit.

But the endorsement of friends is.
Now supposing you had a bad back,
A lame, weak, or aching one.
Would you experiment on it?

You will read of many so-called cures.
Endorsed by strangers from faraway
places.

It is different when the endorsement
comes from home.

Easy to prove local testimony.
Read this Norway case:

E. C. Libby, Sanborn St., says: "I
had backache a great deal and it annoyed
me to do anything. My head ached fre-
quently, too. I also noticed little specks
before my eyes and my sight blurred. I
used various medicines, but it was left
for Doan's Kidney Pills to give me last-
ing results. Since using them, I have
had no return of the complaint and I
have great confidence in Doan's."

BRYANT'S POND

Woodstock Wins 44-8 Easily

The largest crowd of the season at-
tended the basketball game in the O-
pera House, Saturday evening, when the
High School team overwhelmingly defeat-
ed Mechanic Falls High, 44 to 8. Wood-
stock started off with a rush and were
able to score almost at will when an ac-
cident to one of the lights caused a delay
in the game which enabled the visitors to
strengthen their team by changing Pearl
from center to guard and Hodgkins from
forward to center. This combination
worked better but they were unable to break
up the short snappy passing of the home
team. Fast, hard playing prevailed on
both sides, but the ability of the local
boys to locate the basket gave them a big
margin. Raeburn Hathaway at center
was the star, scoring eight floor goals,
while Capt. L. Hathaway played his usual
steady game at forward, shooting six
goals and four fouls. The passing, shoot-
ing and team work of the High School is
improving rapidly with each game.

A large delegation of the students oc-
cupied a portion of the stage and under
the leadership of Thelma Farnum '19,
cheered their team to victory. The score:

ALBANY

George Bean Pingree passed away at a hospital in Newton, Mass., from double pneumonia, following a severe attack of influenza. He had been in the employ- ment of a motor company for some years up to the time of his death. He was about 28 years of age. Mr. Pingree was a young man of superior ability in his line of work and the fourth of a family of five boys to pass away within a short number of years, leaving Mrs. Pingree with four daughters and one son living, the latter in service on the Mexican border.

One son Albert, died at a Training Camp from pneumonia, a little more than a year ago and the husband and father followed from the same disease a few months later.

Don't exceed the speed limit. You may have to loaf around too long after you get there.

Only One Corn Peeler, "Gets-It"

Stop Corn Pains; See Corn Peel Off. It is just when a corn hurts that you want to feel surest about getting rid of it. Why take chances of keeping the corn and having the pain grow worse? You'll use "Gets-It."

The Only Peel-It-Off Way Is "Gets-It" If anyhow, sooner or later, might as well use it sooner. Then you are absolutely sure that the corn will loosen from your toe so that you can peel the whole corn off painlessly with your fingers, in one complete piece—just like peeling a banana. It takes a second to apply "Gets-It." There's no fussing or putting. Corn-pains will vanish—that'll keep you sweet while the "Gets-It" does the rest. Nothing new for corns has been discovered since "Gets-It" was born. Follow the judgment of the millions; use "Gets-It" and be sure to be corn-back corn-remover, the only sure way, costs but a trifle at any drug store. Mfg'd by E. Lawrence & Co., Chicago, Ill.

LET US SUGGEST SUPERBA DESSERTS

RED RASPBERRIES, PEARS, PEACHES, PINEAPPLE: indeed any of the dozen and one SUPERBA fruits.

"Like Mother used to make"—"Melt in your mouth" (phrases you've known since childhood) inadequately express the delightful flavor, wholesome quality that distinguishes these unequalled, reasonably priced desserts.

Why Bother To Cook Desserts? Why spend hours over a hot stove, getting dessert for dinner—supper—company when such delightful foods as these are so easily obtainable?

Your Dealer gladly recommends SUPERBA Canned Goods, Teas and Coffee.

OLD AGE STARTS WITH YOUR KIDNEYS

Science says that old age begins with weakened kidneys and digestive organs. This being true, it is easy to believe that by keeping the kidneys and digestive organs cleansed and in proper working order old age can be deferred and life prolonged far beyond that enjoyed by the average person.

Over 200 years GOLD MEDAL Haaren Oil has been relieving the weaknesses and disability due to advancing years. It is a standard old-time home remedy and needs no introduction. GOLD MEDAL Haaren Oil is contained in odorless, tasteless capsules containing about 5 drops each. Take them as you would a pill, with a small swallow of water. The oil stimulates the kidney action and enables the organs to throw off the poisons which cause premature old age. New life and strength increase as you continue the treatment. When a completely restored condition is reached, take a box of GOLD MEDAL Haaren Oil Capsules. Money refunded if they do not help you. Three original imported GOLD MEDAL brand, in sealed packages.

Catarrrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. The tube restored to its normal condition, hearing will be restored. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. F. J. CHENEY & CO., Toledo, O. 6-9

Daisy Baker's Mother Says

It is not only easy to do your own baking with WILLIAM TELL FLOUR, but it will give your bread a richer and a better flavor.

The wheat from which this flour is made is grown in the Miami Valley in Ohio, and the rich limestone soil gives it a delicious flavor and wonderful baking qualities, superior to any other flour I have ever used.

At the same time, it goes so much further than you really save flour by using it.

Ask your grocer for WILLIAM TELL—and prove for yourself that it does go further, and bakes better.

Pure Blood

An impure condition of the blood cannot be overcome unless the bowels are made to move freely, once a day, at least. To build up the system, so permanent benefit will result, it is necessary to improve the digestion. We strongly recommend the true "L. F." Atwood Medicine, for its ingredients act upon the stomach, liver and bowels. It tones those organs to new activity so that they perform their functions naturally, and throw off all impure and unclean matter. Take a teaspoonful morning and night—your skin will clear, appetite return, strength and spirits revive;—you'll be glad you bought this genuine "L. F." remedy, price 50 cents, made by the L. F. Medicine Co., Portland, Maine.
